

RAIN BARRELS FOR SALE

The Kandiyohi SWCD is selling rain barrels to encourage the collection and reuse of rooftop rain-water runoff and reduce impervious surface flow in **municipalities in Kandiyohi County**.

Information & Guidelines

- Specs: 24" diameter x 36" high; 54 Gallons
- Heavy duty plastic
- \$55.00 plus tax due at the time of ordering.
- To order your rain barrel, fill out the form below and submit payment.
- Available immediately
- Questions??? Call 320-235-3906 ext 3 or email Sandra.Laumer@mn.nacdnet.net

Why Use Rain Barrel?

- **Cost –effective** alternative to using tap water for watering yards and gardens.
- Better **plant growth** when watered with rainwater.
- **Decreased erosion** in your downspout area
- **Reduces** peak volume and velocity of **Stormwater runoff** to streams and storm sewer systems
- **No chemicals** and energy spent processing drinking water for your plants
- Rain barrels **reduce water pollution** by reducing Stormwater runoff which can contain pollutants like sediment , oil, grease, bacteria, and nutrients
